## Wave Propagation on Nonuniform Transmission Lines (Comments)

---

S.C. Dutta Roy. "Wave Propagation on Nonuniform Transmission Lines (Comments)." 1974 *Transactions on Microwave Theory and Techniques* 22.2 (Feb. 1974 [T-MTT]): 149-150.

It is shown that the solutions for wave propagation on a nonuniform transmission line, recently proposed by Bergquist, are alternative forms of, or easily derivable from, the results of Protonotarios and Wing, given earlier.
