## Introductory Remarks (Dec. 1974, Part II [T-MTT])

---

*C.T. Rucker and G.R. Harrison. "Introductory Remarks (Dec. 1974, Part II [T-MTT])." 1974 Transactions on Microwave Theory and Techniques 22.12 (Dec. 1974, Part II [T-MTT] (1974 Symposium Issue)): 1122-1122.*

For many years the December issue of the Transactions has been devoted to the papers presented at the International Microwave Symposium. This year, for the first time, the issue is being handled by Guest Editors who were associated with the technical program of the Symposium.
