## **An All-Harmonic Coupling-Band Hybrid (Letters)**

---

*J.S. Wight, W.J. Chudobiak and V. Makios. "An All-Harmonic Coupling-Band Hybrid (Letters)." 1976 Transactions on Microwave Theory and Techniques 24.2 (Feb. 1976 [T-MTT]): 122-124.*

A description is given of a microstrip, branch-arm hybrid which exhibits 3-dB coupling at all harmonics of a fundamental frequency as compared to the odd-harmonic coupling exhibited by conventional branch-arm hybrid structures.
