Scattering of Surface Waves at a Dielectric Discontinuity on a Planar Waveguide (Comments)

B. Rulf. "Scattering of Surface Waves at a Dielectric Discontinuity on a Planar Waveguide (Comments)." 1976 Transactions on Microwave Theory and Techniques 24.8 (Aug. 1976 [T-MTT]): 539-541.

An analysis of the problem of scattering of surface waves at a dielectric discontinuity on a planar waveguide has recently appeared in this Transactions. (Letters)
