## Planning Microwave Device R&D for Defense

---

*L. Young and L.R. Weisberg. "Planning Microwave Device R&D for Defense." 1978 MTT-S International Microwave Symposium Digest 78.1 (1978 [MWSYM]): 17-19.*

The paper reviews the DOD planning process and presents the historical evolution of content and funding of the DOD electronic devices program since the late 1950's, with emphasis on microwave devices.
