## Decade Bandwidth FET Functions

---

*J. Obregon, Y. Le Tron, R. Funck and S. Barvet. "Decade Bandwidth FET Functions." 1981 MTT-S International Microwave Symposium Digest 81.1 (1981 [MWSYM]): 141-142.*

Decade bandwidth FET functions have been designed, using an analytical approach followed by a computer optimization. Two experimental functions have been built using commercially available FETs.
