Status of the Microwave Power Transmission Components for the Solar Power Satellite (SPS) (1981 [MWSYM])

W.C. Brown. "Status of the Microwave Power Transmission Components for the Solar Power Satellite (SPS) (1981 [MWSYM])." 1981 MTT-S International Microwave Symposium Digest 81.1 (1981 [MWSYM]): 270-272.

The status of key microwave components in the transmitter and reception portion of the solar satellite (SPS) are reviewed.
