Parallel Component $\mu_{/sub z/}$ of Partially Magnetized Microwave Ferrites

M. Igarashi and Y. Naito. "Parallel Component $\mu_{/sub z/}$ of Partially Magnetized Microwave Ferrites." 1981 Transactions on Microwave Theory and Techniques 29.6 (Jun. 1981, Part I [T-MTT]): 568-571.

A formula for the parallel component $\mu_{/sub z/}$ of the microwave permeability tensor in the partially magnetized state is derived. The theory is in good agreement with the experimental results.
