Design of Microwave GaAs MESFET's for Broad-Band Low-Noise Amplifiers (Addendum)

H. Fukui. "Design of Microwave GaAs MESFET's for Broad-Band Low-Noise Amplifiers (Addendum)." 1981 Transactions on Microwave Theory and Techniques 29.10 (Oct. 1981 [T-MTT]): 1119-1119.

It has been called to the author's attention that (3) in the above paper appears to be inadequate, especially for scaling.
