## Mutual Impedance Computation Between Microstrip Antennas (Short Papers)

---

*E.H. Newman, J.H. Richmond and B.W. Kwan. "Mutual Impedance Computation Between Microstrip Antennas (Short Papers)." 1983 Transactions on Microwave Theory and Techniques 31.11 (Nov. 1983 [T-MTT]): 941-945.*

A moment-method solution for the mutual coupling between rectangular microstrip antennas is presented. The grounded dielectric slab is accounted for exactly in the analysis.
