Session 23 Introduction (1984 [MWSYM])

B.S. Perlman. "Session 23 Introduction (1984 [MWSYM])." 1984 MTT-S International Microwave Symposium Digest 84.1 (1984 [MWSYM]): 511-511.

This session covers a wide variety of measurement topics concerned with microwave and millimeter-waves. Papers will be presented on new methods, techniques and solutions that extend and improve the state of the measurement art.
