Solid-State Microwave and Millimeter-Wave Sources Development--A Personal Account

H.J. Kuno. "Solid-State Microwave and Millimeter-Wave Sources Development--A Personal Account." 1984 Transactions on Microwave Theory and Techniques 32.9 (Sep. 1984 [T-MTT] (Special Centennial Issue Historical Perspectives of Microwave Technology)): 1083-1087.

The personal experience with the development of solid-state microwave and millimeter-wave sources in the late 1960's and early 1970's is described.
