## **The Measurement of Noise in Microwave Transmitters (Comments) (May 1984 [T-MTT])**

---

*W. Freude. "The Measurement of Noise in Microwave Transmitters (Comments) (May 1984 [T-MTT])." 1984 Transactions on Microwave Theory and Techniques 32.5 (May 1984 [T-MTT]): 559-561.*

The recent comment by Ashley et al. as a reply to the remarks by Knochel et al. drew my attention to the work by Ashley Barley, and Rast, Jr., to which I would like to add three supplements. On an improved version of the frequency discriminator of Ondria and Ashley et al., the following results have been published.
