Quasi-Optical Method for Measuring the Complex Permittivity of Materials (Corrections)

F.I. Shimabukuro. "Quasi-Optical Method for Measuring the Complex Permittivity of Materials (Corrections)." 1984 Transactions on Microwave Theory and Techniques 32.11 (Nov. 1984 [T-MTT]): 1504-1504.

In the above paper, in Column 1 of Table II on page 663, Reference [9] should read [10] and Reference [10] should read [12].
