Message from the General Chairman (1989 [MCS])

R. Kagiwada. "Message from the General Chairman (1989 [MCS])." 1989 Microwave and Millimeter-Wave Monolithic Circuits Symposium Digest 89.1 (1989 [MCS]): iii-iii.

Welcome to the 1989 IEEE Microwave and Millimeter-Wave Circuits Symposium, and to Long Beach. Thank you for your interest and participation in the Eighth Annual Symposium. Because of the large number of people working in microwaves and millimeter-waves in this area, we expect a record breaking attendance. The two day technical program begins Monday, June 12, at the Long Beach Convention and Entertainment Center in Long Beach, California. The Monday evening panel sessions will be held at the Long Beach Hyatt Regency. On Tuesday, June 13, the Symposium continues under joint sponsorship with the IEEE Microwave Theory and Techniques Society International Microwave Symposium, again at the Long Beach Convention and Entertainment Center.
