[A Microstrip Planar Disk 3dB Quadrature Hybrid](#)

M.J. Page and S.R. Judah. "A Microstrip Planar Disk 3dB Quadrature Hybrid." 1989 MTT-S International Microwave Symposium Digest 89.1 (1989 Vol. I [MWSYM]): 247-250.

A 3dB quadrature hybrid in the form of a four-port microstrip planar disk circuit is presented. Experimental results verifying the junction design are given.
