A Novel Quasi-Optical Frequency Multiplier Design for Millimeter and Submillimeter Wavelengths (Corrections)

J.W. Archer. "A Novel Quasi-Optical Frequency Multiplier Design for Millimeter and Submillimeter Wavelengths (Corrections)." 1985 Transactions on Microwave Theory and Techniques 33.8 (Aug. 1985 [T-MTT]): 741-741.

In the above paper, there is a typographical error in an equation on p. 424, first column.
