## Editorial (Apr. 1986 [T-MTT])

---

*T. Itoh. "Editorial (Apr. 1986 [T-MTT])." 1986 Transactions on Microwave Theory and Techniques 34.4 (Apr. 1986 [T-MTT]): 377-378.*

As of January 1, 1986, my editorship of this Transactions was turned over to Dr. Ralph Levy. Actual day-to-day operations as the Editor had not been transferred until February 1. Now, all the operations are in the hands of Dr. Levy. He has been active in a number of MTT-related activities and has published extensively. I am sure that he will handle this important assignment in an expert manner.
