Multiple Dielectric Posts in a Rectangular Waveguide (Corrections)

C.G. Hsu and H.A. Auda. "Multiple Dielectric Posts in a Rectangular Waveguide (Corrections)." 1989 Transactions on Microwave Theory and Techniques 37.4 (Apr. 1989 [T-MTT]): 806-806.

The above paper contains two typographical errors. The minus sign leading the series in equation should be changed to a plus sign, and the " $\tan/\sup -1/$ " term in equation should be multiplied by $f/0$ over $i/$. The results and conclusions of the paper, as well as those of [1], however, are not affected by these errors.
