C. Buntschuh. "The 1988 MTT-S International Microwave Symposium (Dec. 1988 [T-MTT])." *1988 Transactions on Microwave Theory and Techniques* 36.12 (Dec. 1988 [T-MTT]) (1988 Symposium Issue): 1553-1560.

May 1988 marked the first time since May 1964 that the International Microwave Symposium was held in New York. It was indeed a pleasure to host the Symposium again, after so many years, in the most exciting and fascinating city on earth. Judging from the compliments we have received, it was thoroughly enjoyed and appreciated by the worldwide microwave community.
