A New Recurrence Method for Determining the Green's Function of Planar Structures with Arbitrary Anisotropic Layers (Correction)

R. Marques, M. Horno and F. Medina. "A New Recurrence Method for Determining the Green's Function of Planar Structures with Arbitrary Anisotropic Layers (Correction)." 1986 Transactions on Microwave Theory and Techniques 34.6 (Jun. 1986 [T-MTT]): 746-746.

In the above paper, there is a typographical error. Equation (25) should read as follows.
