Millimetric Nonreciprocal Coupled-Slot Finline Components (Comments and Reply)

E. Jensen, C. Schieblich, L.E. Davis and D.B. Sillars. "Millimetric Nonreciprocal Coupled-Slot Finline Components (Comments and Reply)." 1987 Transactions on Microwave Theory and Techniques 35.4 (Apr. 1987 [T-MTT]): 470-472.

A statement is made concerning the feasibility of nonreciprocal components with ferrites magnetized in the direction of propagation.
