## Coplanar Waveguide and Slot Line on Magnetic Substrates: Analysis and Experiment (Corrections)

---

*E. El-Sharawy and R.W. Jackson. "Coplanar Waveguide and Slot Line on Magnetic Substrates: Analysis and Experiment (Corrections)." 1991 Transactions on Microwave Theory and Techniques 39.9 (Sep. 1991 [T-MTT] (Special Issue on Microwave Applications of Superconductivity)): 1676-1676.*

The above paper contains three typographical errors. The value of  $4\pi M/s$  in Figs. 3, 4, and 5 should be 2262 G instead of 2620 G. The results presented in the figures were not affected by these errors.
