1991 IEEE MTT-S International Microwave Symposium (Dec. 1991 [T-MTT])

P. Staecker. "1991 IEEE MTT-S International Microwave Symposium (Dec. 1991 [T-MTT])." 1991 Transactions on Microwave Theory and Techniques 39.12 (Dec. 1991 [T-MTT] (1991 Symposium Issue)): 1910-1913.

The symposium was held at the John. B. Hynes Veterans Memorial Convention Center in Boston, June 10-14, 1991. Although the financial committee is still counting the money (and there is some left to count), we know that 1991 was a record year for total attendance (Table I) in spite of the economic uncertainty gripping some parts of the microwave community.
