High Volume, Low Cost, MMIC Receiver Front End

A.F. Podell and W.W. Nelson. "High Volume, Low Cost, MMIC Receiver Front End." 1986

Microwave and Millimeter-Wave Monolithic Circuits Symposium Digest 86.1 (1986 [MCS]): 57-59.

Producing inexpensive MMIC receiver front ends in large quantities has focused attention on details of MMIC design and fabrication that are different from laboratory, or small volume production. This paper discusses design and testing tradeoffs and the performance of the resulting packaged MMIC.
