## Ultrahigh Speed Optical Transmission Systems in Japan

---

*K. Nakagawa, K. Hohkawa and K. Hagimoto. "Ultrahigh Speed Optical Transmission Systems in Japan." 1991 MTT-S International Microwave Symposium Digest 91.1 (1991 Vol. I [MWSYM]): 303-306.*

This paper presents an overview of the current state of ultrahigh speed transmission systems in Japan. Recent progress in optical fiber transmission systems developed in NTT are reviewed. Transmission experiments and key technologies required for constructing ultrahigh speed transmission systems are also discussed.
