MMIC Consumer Application and Production

B.F. Cambou. "MMIC Consumer Application and Production." 1992 Microwave and Millimeter-Wave Monolithic Circuits Symposium Digest 92.1 (1992 [MCS]): 1-3.

Hand held radios and wireless telecommunication systems will represent in the near future a high volume market. The purpose of this paper is to discuss how GaAs can become a key technology for this application and how to leverage the expertise that we get from silicon processing.
