## Publication Errors in a Recent Letter (Corrections)

---

*W.J. Getsinger. "Publication Errors in a Recent Letter (Corrections)." 1994 Transactions on Microwave Theory and Techniques 42.11 (Nov. 1994 [T-MTT]): 2180-2180.*

A letter by Green and Cashman and a responding letter by this author, on the subject of end-capacitance of parallel round conductors, were published in the May, 1994 IEEE Transactions on Microwave Theory and Techniques. Typographical errors in the published copy of [2] reverse the meaning of the first sentence and make the end-capacitance formula for thick-walled tubing obscure.
