A New Formulation of the Boundary Condition at Infinity for a Hybrid Radiation Mode and its Application to the Analysis of the Radiation Modes of Microstrip Lines (Corrections)

W. Zieniutycz. "A New Formulation of the Boundary Condition at Infinity for a Hybrid Radiation Mode and its Application to the Analysis of the Radiation Modes of Microstrip Lines (Corrections)." 1993 *Transactions on Microwave Theory and Techniques* 41.5 (May 1993 [T-MTT]): 901-902.

In the above paper, a few corrections should be introduced as a result of additional analysis and numerical calculation:
