1997 IMS Technical Program (Overview)

K.C. Gupta and Z.B. Popovic. "1997 IMS Technical Program (Overview)." 1997 Transactions on Microwave Theory and Techniques 45.12 (Dec. 1997, Part II [T-MTT] (1997 Symposium Issue)): 2172-2174.

The technical program of the 1997 IEEE MTT-S International Microwave Symposium was a great success. The technical program consisted of 55 technical sessions, six panel sessions, one rump session, three student-paper sessions, and 24 workshops spread over the week of June 8-13, 1997.
