An error in the waveguide handbook

R. Melino and H.E. Green. "An error in the waveguide handbook." 2000 Transactions on Microwave Theory and Techniques 48.11 (Nov. 2000, Part I [T-MTT] (Mini-Special Issue on RF/Microwave Applications in Medicine)): 1972-1972.

This paper corrects a long-standing error that appears in a formula given in the literature for the admittance of a parallel-plate line radiating into a half-space.
