Applications of Haar wavelet based MRTD scheme in the characterization of 3D microwave circuits

K. Goverdhanam and L.P.B. Katehi. "Applications of Haar wavelet based MRTD scheme in the characterization of 3D microwave circuits." 1999 MTT-S International Microwave Symposium Digest 99.4 (1999 Vol. IV [MWSYM]): 1475-1478 vol.4.

In this paper, a 3D MRTD scheme which uses Haar wavelet basis has been presented. For the first time in literature, the Haar wavelet based 3D MRTD scheme of arbitrary resolution has been derived for application in the characterization of complex 3D Microwave circuits.
