1973 IEEE-GMTT

INTERNATIONAL MICROWAVE SYMPOSIUM

SUNDAY, JUNE 3, 1973

1400-1700	ADCOM meeting, 400-401 Darley Commons, Williams Village
1600-2000	Registration, Darley Commons, Williams Village
1900-2100	Cash bar social hour and buffet dinner, Darley Commons, Williams Village
1930-	1974 Technical Program Committee Meeting, 400-401 Darley Commons, Williams Village
1930-	Chapter Chairmans Meeting, 402 Darley Commons, Williams Village

MONDAY, JUNE 4, 1973

0730	Registration, Alumni Hall, University Memorial Center	
0830-0900	Welcoming Remarks and Keynote Address, Chemistry 140	
0910-1200	1 - Millimeter and Submillimeter Wavelength Techniques, East Ballroom, UMC	2 - Computer-Aided Microwave Practices, West Ballroom, UMC
1400-1700	3 - Millimeter Wavelength Components, East Ballroom, UMC	4 - Passive Solid State Devices, West Ballroom, UMC
2000-2200	Panel: Millimeter Wave Integrated Circuit Techniques, East Ballroom, UMC	Panel: Nonlinearities in Microwave Devices and Systems, West Ballroom, UMC

TUESDAY, JUNE 5, 1973

0900-1200	5 - Microwave Delay Lines and Acoustic Devices, East Ballroom, UMC	6 - Microwave Measure- ments, West Ballroom, UMC	7 - Active Solid State Devices, Forum Room, UMC
1340-1650	8 - Civil Microwave Systems, East Ballroom, UMC	9 - Microwave Filters and Related Com- ponents, West Ballroom, UMC	Panel: Microwave Noise Measure- ments and Sys- tem Effects, Forum Room, UMC
1800-1900	Cash Bar social hour, Harvest House Motor Hotel		
1900-	Banquet, Harvest House Motor Hotel		

WEDNESDAY, JUNE 6, 1973

0700-0900	Flagstaff Mountain Breakfast		
0900-1215	10 - Active Solid State Devices, East Ballroom, UMC	11 - Microwave Tech- niques in Bio- logical Research, West Ballroom, UMC	12 - Waveguide Analyt- ical Techniques, Forum Room, UMC
1400-1700	13 - Integrated Optics, East Ballroom, UMC	14 - MIC Systems, Components, West Ballroom, UMC	15 - Biological Effects of Microwave Rad- iation, Forum Room, UMC
2000-2200	Workshop: Biological Effects of Microwave Radiation, East Ballroom, UMC
