## Correction to "Modal Theory of Spatially Periodic Media"

R. S. CHU AND J. A. KONG

In the above paper,<sup>1</sup> Figs. 5 and 6 are incorrect and should be replaced by the following two figures.

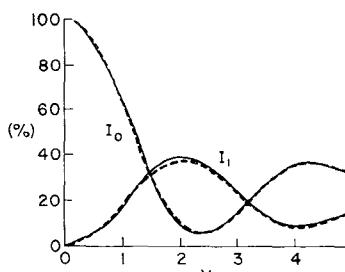

Fig. 5

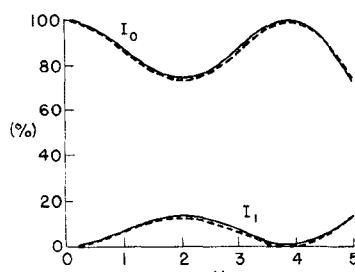

Fig. 6

Manuscript received December 8, 1977

R. S. Chu is with the Communication Systems Division, GTE Sylvania, Inc., Needham, MA 02194.

J. A. Kong is with the Department of Electrical Engineering and Computer Science and Research Laboratory of Electronics, Massachusetts Institute of Technology, Cambridge, MA 02139.

## Correction to "High-Speed Computation of Single and Coupled Microstrip Parameters Including Dispersion, Higher Order Modes, Loss and Finite Strip Thickness"

ROLF H. JANSEN

In the above paper,<sup>1</sup> the manuscript received and revised dates were printed incorrectly. The dates should have read manuscript received October 15, 1956; revised January 13, 1977.

Manuscript received January 9, 1978

The author is with the Institut fur Hochfrequenztechnik Technical University of Aachen, Aachen, Germany

<sup>1</sup> R. H. Jansen, *IEEE Trans. Microwave Theory Tech.*, vol. MTT-26, pp. 75-82, Feb. 1978.
