

An Invitation To Membership

There is no better time than now to join an IEEE technical Group/Society. Membership gives you ready access to meetings and conferences in your areas of interest, and to the prime movers in engineering, science, and business.

The Transactions and the Newsletter — both included in your Group/Society fee — keep you

abreast of the latest developments in your field. And, as an IEEE member, you may choose from a wide offering of Standards, products and services (books, conference records, employment surveys, short courses, and other helpful aids) — all at greatly reduced member rates.
