IEEE STANDARD DICTIONARY OF ELECTRICAL AND ELECTRONICS TERMS

★ Revised and Expanded Centennial Edition ★

**SPECIAL
INTRODUCTORY
PRICE:
SAVE 25%**

Approved as an
**AMERICAN NATIONAL
STANDARD**
(ANSI/IEEE Std 100-1984)

7 years in the making
Centennial Edition
23,521 entries
Over 3,000 new and
revised terms

Added Feature
**15,000 ACRONYMS
IDENTIFIED**

Largest single list of acronyms
currently in use in electrical/
electronics/computer science
and engineering. Covers
business and industry,
government and the military.

Facts about this most authoritative information tool...

New Information. In the 1984 expanded and revised IEEE Standard Dictionary, you find over 400 sources of input (many from ANSI Standards) including terms from all IEEE Standards published since the previous (1977) edition. The 23,521 entries that now comprise the text of the Dictionary include over 3,000 more terms than appeared in the 1977 edition. Each entry is an official standard of the Institute of Electrical and Electronics Engineers, Inc. This is the most authoritative single-volume dictionary of electrical and electronics terms available anywhere.

Only the IEEE Standard Dictionary gives you all these benefits:

- 23,521 definitions embracing the total language of E/E engineering.
- 1,176 pages; more than 250 diagrams and tables.
- Comprehensive revisions assure most up-to-date definitions of terms.
- Identification of defining document and source field.
- New coding system simplifies identification of sources.
- Equations and formulas set in large, easy-to-read type.
- Designation of preferred terms, deprecated terms and alternate usages.
- Explanatory notes.
- Cross indexing.

INTRODUCTORY OFFER PRICES

Orders Postmarked on or before Dec. 15, 1984: IEEE members \$33.75; Non members \$37.50*
Orders Postmarked after Dec. 15, 1984: IEEE members \$44.95; Nonmembers \$49.95

*Applies to first copy only for personal use.

Please send me the IEEE STANDARD DICTIONARY OF ELECTRICAL AND ELECTRONICS TERMS, Centennial Edition (SH09332) at your special introductory price.

Introductory price \$ _____

Handling-shipping charge \$ **2.00**

Amount enclosed \$ _____

New Jersey residents add 6% sales tax.

Note: A \$2.00 billing charge is added to all non-prepaid orders of under \$100. Credit cards considered prepaid.
