AND

33RD ARFTG CONFERENCE & EXHIBITION JUNE 15-16, 1989

Don't miss the boat....

Whether a landlubber or of the nautical bend, you'll be missing the boat if you don't attend the 1989 IEEE/MTT-S International Microwave Symposium.

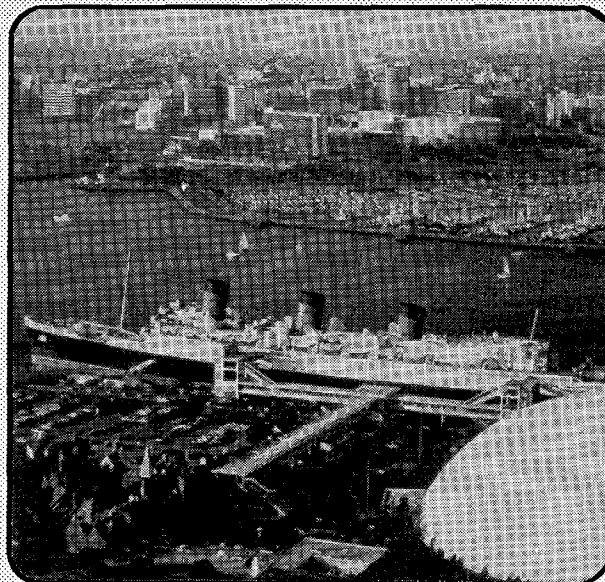

This symposium promises to be intellectually and socially exciting. Joining forces with MMMC and ARFTG, the symposium will present almost 300 technical papers, seven workshops, seven panels, MMMC and ARFTG technical sessions, and an array of social activities. The MTT-S Exhibition with over 450 microwave exhibitors will also be a part of this microwave extravaganza, truly "Microwave Week".

If you plan to attend, complete the Conference and Housing Registration forms which have been mailed to you and send them in right away. If you do not receive either of these by April 21, 1989, please call the Symposium Hotline 1-800-MICROWAVE.

So be it by land, sea, or air, the Steering Committee and I invite you to partake in a memorable week, one you won't want to miss.

Chuck Swift
