

Session I:

Open Forum I

Chairman: H. Ling
University of Texas
Austin, TX

This open forum session contains 46 technical papers which are well suited for presentation in the open forum format. Papers within the open forum cut across the many technical disciplines of the Symposium and offer the opportunity for in depth interaction between authors and meeting attendees.

11:00 a.m.–1:00 p.m., Tuesday, May 8, 1990
West Hall Lobby
