

# **Session R:**

## **Open Forum II**

**Chairman: H. Ling**  
University of Texas  
Austin, TX

This open forum session contains 47 technical papers which are well suited for presentation in the open forum format. Papers within the open forum cut across the many technical disciplines of the Symposium and offer the opportunity for in depth interaction between authors and meeting attendees.

**4:00 p.m.–6:00 p.m., Tuesday, May 8, 1990**  
**West Hall Lobby**
