The Microwave Theory and Techniques Society is an organization, within the framework of the IEEE, of members with principal professional interest in the field of microwave theory and techniques. All members of the IEEE are eligible for membership in the Society and will receive the LETTERS upon payment of the annual Society membership fee of \$12.00. Affiliate membership is available upon payment of the annual affiliate fee of \$24.00, plus the Society fee of \$12.00. For information on joining write to the IEEE at the address below.
