Sustaining (Voluntary) Page Charge Form

THIS IS NOT A BILL

Dear

Congratulations on having the following paper accepted for publication in the IEEE MICROWAVE AND GUIDED WAVE LETTERS.

Paper No. MGWL-
Title:

The IEEE and MTT-S request support in the form of a sustaining (voluntary) page charge at the current rate of \$110 per published page. This may be subject to change at the time of printing. If your organization agrees to honor the total sustaining (voluntary) page charges, you will receive 100 free reprints. We expect authors to make a conscientious effort to convince their management of the necessity to help finance this professional activity, ensuring the continued vitality of the LETTERS.

Please complete below and return to the Editor

- () Agrees to honor the total sustaining (voluntary) page charges (100 reprints will be sent).
- () Is unable to honor the page charges.
