

# **Session E**

## **(Joint with MMWMC)**

### **Receiver Circuits II**

#### **Co-chairmen:**

**Yusuke Tajima**  
Raytheon Company  
Research Division

**Yalcin Ayasli**  
Hittite, Inc.

This is a joint session with the Microwave and Millimeter Wave Monolithic Circuit Symposium. This session has four technical papers which discuss recent advancements in MMIC receiver technology. All the circuits in this session utilize HBT devices.

**1:30 p.m.-3:00 p.m., Tuesday, June 11, 1991**  
**Ballroom A**
