CENTRO EMPRESARIAL - SÃO PAULO, August 2-5

IEEE

## CALL FOR PAPERS

The "1993 SBMO International Microwave Conference/Brazil", organized by the Brazilian Microwave Society (SBMO) and EPUSP, will be held on August 2-5, 1993 at the "Centro de Convenções Rebouças" - São Paulo, Brazil. This event is supported by FAPESP, CNPq, FINEP, CAPES, TELEBRAS and The British Council.

A technical industrial exhibition, entitled "RF, MICROWAVES AND OPTICS EXHIBITION", will take place in conjunction with the Conference.

This Conference is organized with the cooperation of the IEEE/MTT-S and LEO-S, URSI, IEEE, IEEE Section South-Brazil, and will provide a major international forum for the exchange of information on research and development in the fields of RF, Microwaves, Millimeter Waves, Antennas, Propagation and Optics.

Papers are solicited describing original work on the following suggested topics given below:
