

Introducing the 1994 IEEE All-Society Periodicals Package

The core collection of quality journals and magazines in
electrical engineering, electronics and computing...

...subscribe today and get over one third of them free!

In electrical engineering, a "core" is a mass of material that directs and increases the strength of a field. The 89 journals and magazines in IEEE's All-Society Periodicals Package virtually define the fields of electrical engineering, electronics, and computing.

Our All-Society Package Brings You These Major Benefits:

Core Collection in the Field

IEEE periodicals cover every aspect of electrical engineering, electronics and computing completely and authoritatively. By subscribing to the All-Society Package, you'll maintain the core collection of your library by receiving the major work in the field.

Get Over 1/3 Free

The 1994 Package costs \$9,995 for our 89 top periodicals. If you subscribed to each one individually, you'd pay \$16,949. That's a savings of \$6,954 or over one-third!

Free 1994 Index

With your All-Society Package you'll get the new 1994 two-volume *Index to IEEE Publications* — a value of over \$500 — free.

Free Subscription

You'll also receive a free subscription to the IEEE's quarterly *Technical Activities Guide* (TAG) (a value of \$25) listing the upcoming conferences in the field worldwide.
