## Presents Its 1995 Plans for Conference Proceedings

### THE 1995 IEEE PREPAID ORDER PLAN (POP)

Subscribe to the 1995 POP plan and you'll get about 130 major 1995 IEEE conference proceedings — for \$11,995! This is the standard plan libraries have received for decades.

### THE 1995 IEEE PREPAID ORDER PLAN PLUS (POP PLUS)

The 130 major conferences discussed above plus about 80 new 1995 IEEE conferences, workshops, and symposia in rapidly-emerging technologies — for \$16,975! POP Plus is all the 1995 IEEE conferences, in electrical engineering and computing in one plan.

### SUBSCRIBERS TO BOTH PLANS RECEIVE:

- about a 38% savings off the total list prices of individual conferences
- a quarterly listing of the proceedings they should have received
