

Session WE2E

Millimeter Wave Sources and Measurements

Chairman:

M. Frerking

Jet Propulsion Laboratory

Co-Chairman:

M. Afsar

Tufts University

WE
2E

This session presents solid state sources and oscillator theory, novel lens systems, and high frequency measurement techniques.

10:30 a.m.–12:00 p.m., Wednesday, May 17, 1995
Room A4
