6 AUDIT INFORMATION

This information is used by IEEE magazines to verify their annual circulation.
Please refer to the audit codes and indicate your selections in the space provided.

A The primary end product (or service performed) at your plant, and product (or service) that is your own work (put a code on each line, even if both are the same)

At your plant _____ Your own work _____

1. Computers
2. Computer peripheral equipment
3. Software
4. Office and business machines
5. Test, measurement and instrumentation equipment
6. Communications systems and equipment
7. Navigation and guidance systems and equipment
8. Consumer electronics/appliances
9. Industrial equipment, controls and systems
10. ICs and microprocessors
11. Semiconductors, components, sub-assemblies, materials and supplies
12. Aircraft, missiles, space and ground support equipment
13. Cinegraphy and support equipment
14. Medical electronic equipment
15. Companies within OEM incorporating electronics equipment in their end product (not elsewhere classified)
16. Independent and university research, test and design laboratories and consultants (not connected with a manufacturing company)
17. Government agencies and armed forces
18. Companies using and/or incorporating any electronic

- products in their manufacturing, processing, research or development activities
19. Telecommunications services, telephone (including cellular)
20. Broadcast services (t.v., cable, radio)
21. Transportation services (airlines, railroads, etc.)
22. Computer and communications data processing services
23. Power production, generation, transmission and distribution
24. Other commercial uses of electrical, electronic equipment and services (not elsewhere classified)
25. Distributor (reseller, wholesaler, retailer)
26. University, college/other educational institutions, libraries
27. Others (call to this field) _____

C Your principal responsibility is _____

1. Management other than engineering
2. Engineering and scientific management
3. Engineering Design
4. Engineering/physicist/scientist
5. Software management
6. Software scientist/engineer

B Your principal job function is _____

1. General corporate management
2. Engineering manager
3. Project leader, project manager, project engineer
4. Research and development engineer
5. Design/development engineering manager
6. MTS
7. Research and development engineer
8. Software engineer
9. Basic research
10. Computer scientist
11. Scientist/physicist/mathematician
12. Marketing, sales and purchasing
13. Marketing, sales and purchasing
14. EE engineer (not elsewhere specified)
15. Other Professional/Technical

D Your title is _____

1. Chairman of the Board
2. President/CEO
3. Owner/partner
4. General manager
5. VP Operations
6. VP Engineering/Dirctor Engineering
7. Chief Engineer/Chief Scientist
8. Engineering Mgmt/Scientific Mgmt/MTS
