Electrochemistry of Amine Adducts of Porphinato Carbonyl Ruthenium(II): Dependence of Porphyrin Ring Oxidation on Axial Ligand

C. J. MALERICH (*New York, N.Y., U.S.A.*)

Please note that the above title is the correct one for the article appearing on p. 123 of Vol. 58 and replaces the one erroneously printed (Electron and Ligand... Carboxylates). Entries for this article in the contents list and indices are correct as printed.
