

## ANNOUNCEMENT

### 7TH AIRAPT INTERNATIONAL CONFERENCE (JOINTLY WITH EHPRG)

THE ASSOCIATION International for Research and Advancement of High Pressure Technology AIRAPT will hold its seventh International High Pressure Conference at the "Château de la Verrerie", 71200 Le Creusot, France, from 30 July to 3 August 1979.

It will be a joint AIRAPT-EHPRG (European High Pressure Research Group) meeting.

The programme will cover, over a broad range of disciplines, fundamental research (experimental or theoretic-

cal) as well as applied research and industrial problems involving high pressures.

The first circular was disseminated July 1978.

Abstracts of contributed papers (not longer than 250 words) are requested not later than 15 January, 1979.

For further information contact: B. Vodar, Chairman of the Conference, LIMHP-CNRS Villetaneuse 93430, France. Tel: (1) 822.78.86.
