ANNOUNCEMENT

MAFELAP 1984: THE MATHEMATICS OF FINITE ELEMENTS AND APPLICATIONS

Brunel University, 1–4 May 1984

FOLLOWING the four previous Brunel conferences on The Mathematics of Finite Elements and Applications, a fifth residential conference with the same title will be run at Brunel University at the beginning of May 1984. The aim will be to bring together again workers from different disciplines whose common interest is finite element methods. The programme will consist of invited lectures, contributed papers and poster sessions.

Topics
   The Mathematical Theory of Finite Elements
   Engineering and Scientific Applications of Finite Elements
   Computational Techniques for the Implementation of Finite Element Methods
   Boundary Element Methods and Their Application
   The Finite Element/Computer Aided Geometric Design Interface

Call for papers
   A limited number of contributed papers and papers for poster sessions will be accepted for the conference. Persons wishing to read a contributed paper or to have a paper in a poster session should submit abstracts of not more than two pages in length by 31 October 1983, indicating the mode of presentation that they would prefer.

Details
   Persons wishing further details or submitting abstracts should write to:
      The Secretary
      The Institute of Computational Mathematics
      Brunel University
      Uxbridge, Middlesex, UB8 3PH, U.K.
